01 About Us Our Story

Founded in 1988 by Architect Fawzi Al- Saleh, we are a creative architecture and interior design firm based in Saudi Arabia, with presence on the international scene of interior architecture. Throughout the years, we have established a reputation for creating signature design solutions with uniqueness and innovation.

We believe that creativity is at the heart of today's life; that's why we consider every detail and bring a unique blending of timeless elegance and luxurious artistry to each project.

Due to our commitment to create quality interior designs, our influence and style is admired and recognized, making us one of the leading designers in Saudi Arabia.

Our vision is clear: you deserve only the best! And to do so, we explore local and international cultures and trends that guide our approach and provide another influence in our sense of design. Tying that in with our creativity and expertise, we bring you nothing but exceptionally beautiful designs, and unique experiences and spaces.
